AMPC
AUSTRALIAN MEAT PROCESSOR CORPORATION

NATIONAL BEEF CARCASE COMPETITION
PARTICIPATING MEAT PROCESSORS

The AMPC National Beef Carcase Competition, supported by MLA Meat Standards Australia will allow for entries to be delivered over a twelve month competition phase, with nominations closing one month prior to the intended slaughter date of the entrant's cattle.

A list of all processors participating in the competition are outlined below. Contact your preferred processing plant to arrange processing of your nomination as some plants may not be able to process all classes of cattle.
